EXPERIENCE

Programming teacher

Algorithmics Spain | September 2024 - January 2025

I taught classes to children from 5 to 18 years old.

- Visual Programming - Scratch
- Frontend Development - HTML, CSS & JS
- Python Pro I - Python
- Video Game Design - Roblox Studio + LUA
- Robotics - Lego + WeDo
- Unity - C#

Frontend developer

InXpira Estudio | March - May 2024

I implemented a mobile game made with Ionic, Angular and Firebase, I designed the characters and created its aesthetics.

I also worked on 2 websites with Wordpress, where I had meetings with clients.

Drawing instructor

Maja Espacio Creativo | 2021 - 2022

I was an anime / manga style drawing teacher, teaching children between 8 and 16 years old.

EDUCATION
